## Challenge Cup Sundays:

(June 7) - Redneck Games

The Redneck Games are a collection of off the wall games mixed with a little country flavor. Duct tape is a must for any type of Redneck Games and there will be plenty here! Make sure that you wear clothes that can get slimy...and by slimy, we may mean cow tongues. Yep, definitely plan on cow tongues! Students will be broken out into teams and will be competing for the Redneck Trophy!

(July 14) - Dizzy Olympics

Round and round they go, who will win, nobody knows! Sunday night, July 14th, will be a spinning good time as students compete as teams in the dizziest of Olympic games. Bats and balls, long tosses and relay races will all have the extra challenge of being done after a few rounds of spinning in circles. We promise to provide lots of laughs and cross-eyed students!

(August 9) - Lip Sync Battle

How well do you know your favorite songs? Can you win over a crowd with your rendition of "Let it Go?" You don't have to be able to sing for this contest, just know the words and have some good moves. *Students and Adults* can compete individually or with friends (up to 3 total in the group). Don't miss out on the amazing prize (\$\$\$) for the best Lip Sync performance!

## Lunch Box Tuesdays:

Join Waterbrook Student Ministry each Tuesday as we hang out for lunch. Lunch Box Tuesdays are all about you hanging out with your friends, so bring them and have a good time! You can eat at all of the places for under \$10, so come join us each Tuesday this summer!

## Backyard Bible Study:

Bible study moves to the backyard this summer! Join us on Wednesday nights as we meet in homes (one for Rush students and one for Wave students) to have fun and dive into God's word. We'll provide the food and devotional, you provide the fun. Some homes have pools, so make sure to check each week to see what to be prepared for.

## 9:35 Projects:

"He said to them, 'If anyone would be first, he must be last of all and servant of all.'" Mark 9:35

This summer, we start 9:35 Projects. These service projects will focus on serving the local community in a tangible and hands-on way. Jesus calls us to live out our faith through service, and these projects are one way to do that. They will often be a mix of physical service but will always have an evangelistic touch and outreach to the people we're serving.

## Hang-Time Wednesdays

On two Wednesday nights this summer, we will get together for a Hang-Time of fun. What we'll be doing might be a surprise, but we promise it will be a blast! Movies, video games and ice are all coming this summer...but we really can't tell you anymore, we've been sworn to secrecy! 6pm - 9pm, mark it down!

## Mission: Rush

Same mission, new name. An incredible week of serving and leading is awaiting Rush students this summer. Mission: Rush (formerly Mission Wylie: and Beyond) is a week where High School students will lead VBS for Burmese Refugees in Richardson, do local mission work and mix in a little fun and Whirlyball. The cost is \$150 for each student who attends and space is limited so register soon! Official registration will begin June 8.

## Back2School Bash

The summer has drawn to an end, but let's send it off and bring in the new school year with a party! Both Wave and Rush Students will join together for the final Backyard Bible Study of the summer. We will meet at the Carnefix house for a night of fun, food and games.
