B. What Waterbrook Believes About Leadership

Leadership (I Timothy 3:1-13, Titus 1:5-9, Acts 6:1-6)

We believe that Jesus Christ leads the local church through a plurality of elders who have been called, gifted and appointed by Him.

By seeking the mind of Christ, depending upon the Holy Spirit and diligently examining the Word of God, the elders provide spiritual oversight and direction for the church. The qualifications of elders are character based as defined in I Timothy and Titus, and the decisions of the elders require unanimous agreement.
