28:19 Dessert Theater is a creative way to support global missions in 2 churches – Waterbrook and Connection Point!

28:19 stands for Matthew 28:19. This verse reminds us to “go and make disciples of all nations”. We are using a fun, family-night of comedy, music, video, silent auction, and offering to help those who are going to Peru, Mexico, Alaska, and Africa this summer. The tickets are \$10, but think of that as an investment in Kingdom advancement.

We believe the place will be packed, you will be entertained immensely, and the Lord will honor your generosity! We will also have a silent auction and free will offering for those who want to give more to missions. Childcare will be provided for kids 4 years and younger.

Tickets will go fast between the two churches. You won't want to miss this!
